This diagram shows an exploded view of a shelving unit. The components are numbered as follows:

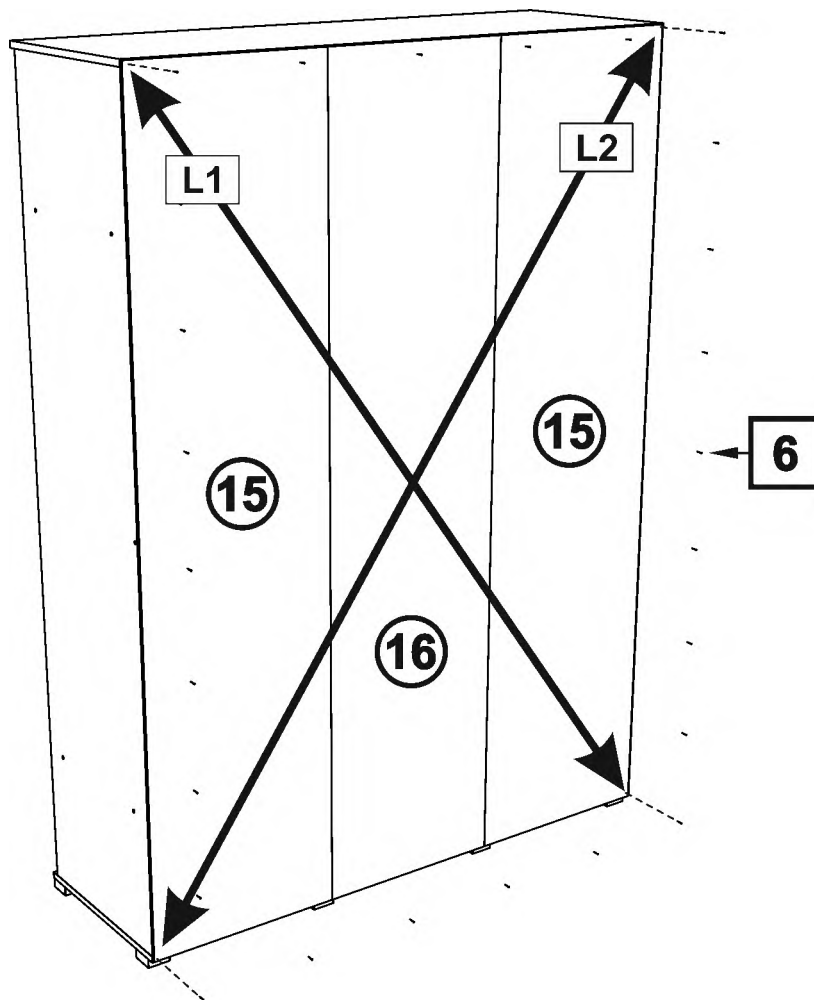

- 1**: Screws used for assembly, shown at various points where panels meet.
- 4**: A vertical support panel on the right side.
- 5**: The top horizontal shelf panel.
- 7**: Horizontal shelf panels, including the second, third, and fourth from the top.
- 9**: A horizontal support bar located between the third and fourth shelves.

 Dashed lines and arrows indicate the alignment and assembly path for each component.

Technical drawing of a three-column shelving unit. The unit consists of three vertical columns and four horizontal shelves. The top shelf is labeled with a circled '18' in the center of each column. The side rails are labeled with a square '7' at the top and bottom of each column. The bottom shelf is labeled with a square '7' in the center of each column. The unit is shown in a perspective view with dashed lines indicating the internal structure and the position of the shelves.
